GOVERNOR DARYL'S THOUGHTS

Hello Brothers, May has come to an end, and with summer comes a pretty good slow down at our lodge. So if you have an idea or a suggestion for things to do at our lodge bring it in, everyone at our lodge would be happy to try just about anything to bring members in to our lodge for fun and games.

Fraternally yours:

Daryl

Message from your Social Quarters Manager

We are sad to say good bye to a longtime volunteer here at the lodge. Tim has decided that he will be stepping down as our head bartender. We wish him the best and thank him for all his service, the many years that he has been here. This is our slow time of the year, summer, enjoy and when you have a chance please come down and enjoy your family lodge.

Always

Roberta

Summer is almost here. With summer comes trips to the lake, park, vacations and the many other things we all have on our schedules of fun things to do. We hope everyone has a safe and fun summer this year. Before we know it summer will pass kids will go back to school and life will go back to "normal". While you are enjoying the summer don't forget about YOUR LODGE, summer is a slow time for us, we still want to see you here. Check the calendar in your newsletter and try to stop by for a meal or perhaps just a drink and say hi. We always have something to eat even if a meal is not scheduled, so after the park stop in for a quick bite. Hope to see you in the "FRIENDLYEST PLACE IN TOWN" your Lodge.

Children are ALWAYS WELCOME at your lodge; if you have little ones feel free to bring them to your lodge when you come by. Brothers and Co-Workers please be mind full of your language whenever you are in the lodge. **Profanity is never allowed in your lodge**, but of late I have heard a number of people in your lodge using profanity, this is doubly troubling when children are present. If you are near to someone that slips and says something inappropriate, gently remind them of our policy. This is not just your lodge's policy but the policy of the Loyal Order of Moose. Remember when you bring children to your Lodge you are responsible for their actions, never leave them unattended. There are many video games available in the meeting room free of charge for their use.

<http://www.shoparoo.com/> read about it, get the app and start helping Mooseheart by just taking a picture of your receipt, any receipt, it can't be easier.
